Sunday 18th April

Family Church at Home!

Has something ever happened that has made you gasp in surprise? I love those moments! Today's scripture has one of these moments in. It's great that we can still have these 'wow' moments with God! I wonder if you've ever had one?

Take a moment to light your candle if you have one.

Let's worship: Hosanna (Praise is Rising) - Brentwood Benson

Let's hear the message: This week we are looking at **Luke 24.36b-48**. We are going to watch an animation which will tell us all about what happened in today's scripture! Click on the link on our Facebook Post or our website to watch it or you can of course read it yourself!

Let's chat: Have a think and discuss these questions with your family!

- When have you found it hard to understand something in church/your group?
- How do you think you might have felt if you were one of the disciples in the room when Jesus appeared
- Listening to Jesus explain helps the disciples feel peaceful. How can we listen to Jesus today?

Let's pray: Act out the emotions as you pray!

God, sometimes we are angry. (Make an angry fist with your hand!)
Sometimes we are joyful. (Jump in the air!)
Sometimes we are disappointed (Hang your arms at your sides)
Help us to remember you are with us, however we feel. **Amen.**

Let's worship: God is with me –Orange Kids Music

Try and spot the emotions you feel this week.

What do you feel? How can you pray to God to ask for help with it?

Don't forget to pop over to the St Giles website for an activity sheet too!
